18.5. iv	Establishment of Online Grievance Redressal Mechanism
<p>Set up mechanism by which we periodically ask the students to give their assessment about the performance of the faculty as also include their genuine grievances from the management side. This mechanism has been devised to independently assess the performance of the faculty member without revealing the names of the students who have given their opinion. Similar course of action will also taken to correct the deficiency which are genuine for redressal by the management</p>
